

# The Allegheny Echoes Summer Workshops

Allegheny Echoes is the concept of a group of West Virginia musicians, writers and artists who wish to promote, support, preserve, and teach their art in a traditional way in a traditional setting. Their goal is to provide an accurate representation of West Virginia art that is not packaged and altered to appeal to a specific market. There is a strong emphasis placed on West Virginia style with an acknowledgement of the encompassing Appalachian culture. The Summer Workshops offer a chance for students of all ages and abilities to come together to learn, appreciate, and enjoy our West Virginia ways. Allegheny Echoes is sponsored in part by these generous partners: Pocahontas County Convention and Visitors Bureau, Pocahontas County Dramas, Fairs, and Festivals, the State of West Virginia, the WV Division of Culture and History Commission on the Arts, and the National Endowment for the Arts.
